Director's Desk

by Shaye Moris

By the time you receive this we will be amidst the busiest season of the year for our food bank – the holiday season. You wouldn't think it would be possible to be any busier than we are today, with demand at emergency food programs and our food bank increasing 37% in the last two years, but we are.

Your food, funds and volunteer support this fall, during Hunger Action Month, is allowing us to keep up with demand. Your support of our warehouse expansion in 2008/2009 is also helping. We're distributing 3.9 million pounds (enough food for 3.1 million meals) or 39% more food than just two years ago.

In this issue, we are spotlighting some of the many partners who help us accomplish so much and feed so many. From our volunteers to food and fund donors – we couldn't do our work without you!

As you think about your many blessings this holiday season, will you think about those less fortunate? Families who are struggling to make ends meet? Senior citizens who live on a fixed income?

We would appreciate your continued support of our work not only this holiday season but all year long. **Happy Holidays!**

Crunch Our Numbers

Thanks to your support we're rescuing and distributing a record amount of food to those in need in 2010.

3.9 million lbs
of food distributed

3.1 mil
meals provided

43,000
people served

\$6.2 mil
food rescued

We are...

The sole distributor of nationally and regionally donated food to over 200 charitable feeding programs including our region's soup kitchens, food shelves and shelters and approximately 40,000 people in need. As a non-profit food bank our primary role is to provide food to the front-line charitable agencies that offer meals to the hungry. However, we do provide food directly to over 1,000 people per month as part of our own direct service programming.

Our Mission...

Second Harvest Northern Lakes Food Bank's mission is to feed Northeastern Minnesota and Northwestern Wisconsin's hungry by rescuing and distributing food and engaging our region in the fight against hunger.

I grew my own food right in my backyard. It supplemented my income and I had a sense of accomplishment.

Fighting Hunger One Garden at a Time

Each year, thanks to your support, our food bank rescues and distributes over 320,000 pounds of produce for our region's non-profit agencies and families in need. But it never seems enough.

Use at our region's emergency meal programs (food shelves, soup kitchens, and shelters) and our food bank's own direct service programs have increased 37% in the last two years making it difficult to keep up with demand.

In April, entrepreneur and Duluth resident Scott Vesterstein approached our food bank with a unique idea. "What if we helped people grow their own produce?" he asked. With a donation of twenty container gardens by Scott and his Sydney's Green Garden business our partnership began.

Gene Johnson McKeever, one of our Nutrition Assistance Program for Seniors (NAPS) participants was one of the first people to receive a garden kit and soil donated by Engwall Florist, Garden and Greenhouse.

"I grew my own food right in my backyard," she said. "It supplemented my income and I had a sense of accomplishment, success and happiness. It was a good project."

Gene, like many people in our region find it expensive to eat healthy purchasing fresh produce on a limited income. "I have especially saved money on spinach which I eat weekly," she explained.

She said that Scott's enthusiasm for gardening was "contagious." "It's rather fun and my garden didn't take much time at all," she said. "My daughter-in-laws are now also inspired to grow their own gardens next year and provide more vegetables for their children."

If you are interested in sponsoring an individual or family like Gene next spring, please feel free to contact our food bank (218) 727-5653 or email info@northernlakesfoodbank.org.

Special Thank You to...

Our committed volunteers who have contributed 6,960 hours of service through the 3rd quarter of 2010.

Your contribution is the equivalent of three full-time positions+ at our food bank. You've also helped us save over \$76,000 in staff expense. Your service to our food bank and *more importantly* those we feed is appreciated!

Hall of Fame Volunteers

In this issue we'd like to recognize the hard work of our Hibbing and Virginia volunteers who help with our Mother and Children (MAC) and Nutrition Assistance Program for Seniors (NAPS). In August they were honored by the Northland Volunteer Center - A.E.O.A with the 2010 Hall of Fame Award.

Our Volunteers Make the Difference

Each year we enlist over 500 volunteers who contribute over 8,560 hours of volunteer service to our organization. This invaluable contribution is the equivalent of 4 full-time positions and allows our food bank to save over \$94,000 in staff expense.

At our 6th Annual Volunteer Appreciation Luncheon in September we honored the work of three tireless volunteers.

Judith VanDell was presented with the "Michael E. Miner Board Leadership Award"

Second Harvest Northern Lakes Food Bank Service Area

Second Harvest Northern Lakes Food Bank • 4503 Airpark Boulevard, Duluth, MN 55811 • 218-727-5653
northernlakesfoodbank.org

Each year we rescue and distribute over 3.9 million pounds of food or enough food for 3.1 million meals to over 200 program sites and 40,000 people in need.

maurices® Steps up to the Plate with \$15,000 Food Bank Commitment

Second Harvest's "Full Tanks to Full Tummies" Initiative to Feed More Children

The number of Northland children who receive our nationally and regionally donated food has increased 27% in just two years. Blame it on the economy or other forces at work, as many as 7,785 children per month now receive food from a NE Minnesota or NW Wisconsin food shelf, soup kitchen or shelter.

When long-time partner, maurices®, heard about the plight of so many local children they quickly stepped up to the plate (quite literally!) to sponsor the food bank's new truck and "Full Tanks to Full Tummies" initiative, committing \$15,000 over a period of three years.

"It is a partnership we couldn't be more excited to announce," said Monica Hendrickson, Marketing Manager of Maurices. "The food bank will now have the capacity to distribute more food to people in need, including so many Northland children."

In July, the food bank took delivery of a new 2011 26' International Truck which carries 27,000 pounds of food

(triple the capacity of the food bank's former delivery truck).

"When we expanded our warehouse we expanded our distribution," said Shaye Moris, the food bank's executive director. maurices® has now made it possible to expand our delivery capacity."

The "Full Tanks to Full Tummies" initiative plays on the notion that it requires full tanks of gas to transport food to children to fill their tummies. Each year the food bank transports over 2.5 million pounds of food reaching every corner of the region from Ely to Moose Lake and Hibbing to Hurley.

The food bank estimates that 40% of its total food distribution makes it to children. maurices® \$15,000 commitment will keep the food bank's newest truck fueled and over 16,000 Northland children fed.
